FEATURING 4 HISTORIC FILMS

A 1929 WALLIS FACTORY FILM • SERVICING EQUIPMENT DURING WORLD WAR II
INTO TOMORROW • INTRODUCING THE FERGUSON 40

1 A 1929 WALLIS FACTORY FILM — IN THIS FILM YOU CAN WATCH THE STEPS AS THE WALLIS CERTIFIED TRACTOR GOES DOWN THE ASSEMBLY LINE. AFTER COMPLETION, THE TRACTOR IS THEN TESTED AND RUN FOR SEVERAL HOURS AFTER WHICH THE ENGINE HEAD AND OTHER PARTS ARE TAKEN APART AND EXAMINED. IT IS THEN RE-ASSEMBLED AND THE FAMOUS WALLIS CERTIFIED CERTIFICATE IS ISSUED. IT IS EASY TO SEE WHY THIS WAS ONE OF THE BEST-BUILT TRACTORS OF IT'S TIME. (APPROX 15 MINUTES)

2 SERVICING EQUIPMENT DURING WORLD WAR II — DURING THE WAR, NEW FARM EQUIPMENT WAS SIMPLY NOT AVAILABLE BECAUSE OF STEEL RATIONING. THIS MASSEY-HARRIS FILM FROM 1939, SHOWS THE IMPORTANCE OF CARE AND MAINTENANCE TO MAKE YOUR TRACTORS AND EQUIPMENT LAST. THERE IS A SEGMENT THAT SHOWS THE REBUILDING OF A PACEMAKER TRACTOR. A LOT OF GREAT OLD FARM FOOTAGE. (25 MINUTES)

3 INTO TOMORROW — A YOUNG MAN COMES HOME TO THE FAMILY FARM AFTER WORLD WAR II. HE IS THANKFUL TO BE HOME BUT AS HE STRUGGLES TO FORGET THE HORRORS OF WAR, HE ALSO FEELS THAT SOMETHING IS MISSING. THE MECHANIZATION THAT HE SAW AS PART OF THE WAR IS NOT PART OF HIS DAD'S FARM. SOME TYPE OF CHANGE WAS NEEDED. HE MEETS WITH THE COUNTY EXTENSION AGENT AND HIS LOCAL MASSEY-HARRIS DEALER AND THEY DEVELOP A PLAN TO INCREASE THE FARM'S PRODUCTIVITY BY PURCHASING NEW MASSEY EQUIPMENT. SOME GREAT FOOTAGE OF THE OLD HORSE AND STEAM METHODS VERSUS THE TRACTOR POWER WAVE OF THE FUTURE. SHOT IN THE LATE 1940'S. (30 MINUTES)

4 INTRODUCING THE FERGUSON 40 — A FERGUSON FACTORY FILM THAT ANNOUNCES THE NEW FERGUSON F-40. MOST OF THE FILM IS IN COLOR AND IT SHOWS THE F-40 PROTOTYPES WORKING WITH FERGUSON MOUNTED EQUIPMENT INCLUDING THE B-EO-20, SIDE-MOUNTED BALER. THE F-40 IS SHOWN IN IT'S ORIGINAL COLORS OF GRAY AND METALLIC GREEN. A GREAT PIECE OF FERGUSON TRACTOR HISTORY. (20 MINUTES)
